VOCATIONAL SCHOOL - TO BE OR NOT TO BE?

King and Queen, Tim Staples and Connie Wleczorek, reigned over this week's homecoming activities. (Staff Photo)

That is the question that the Antioch High School Board is asking themselves. Should the Board support the Area Vocational School Study. The Study will investigate the feasibility of the construction of a Vocational school in this area. This is the same way the College of Lake County started and almost everyone can agree

that it has been of great value to all.

Seven of the area schools have already pledged their support for the study. But should Antioch pledge theirs? There are several things to be considered. First of all the study will cost the high school approximately 68 cents per student, which will add up to \$1,000 or more.

This is quite a bit of money and can the school really afford it at this point? If the study is completed and the vocational school is to become a reality then Antioch will have to pay back fees to make up for lost time. This will amount to quite a large sum that will have to be paid all at once. But, if the school decides to support the study at this time and the study turns out to be fruitless then the school is out \$1,000 that they really couldn't afford in the first place. Then again, by entering the study now Antioch will have a vote and their say so on the proposed vocational school on what courses it will offer, etc. The deadline for entry into the study is November 1st, so a decision must be made before then. The board decided to form a special committee to study the issue in greater length, before the final decision is made.

Interscholastic Athletics was also another issue of importance discussed at last Wednesday's meeting. Will it have to be cut because of financial reasons? Many parents were there to speak up in favor of retaining the athletic program in the high school. Everyone would like to see the present program continued, but what happens if the school just cannot financially support it? Something must be done and that something will probably take the form of another referendum unless the new revenue

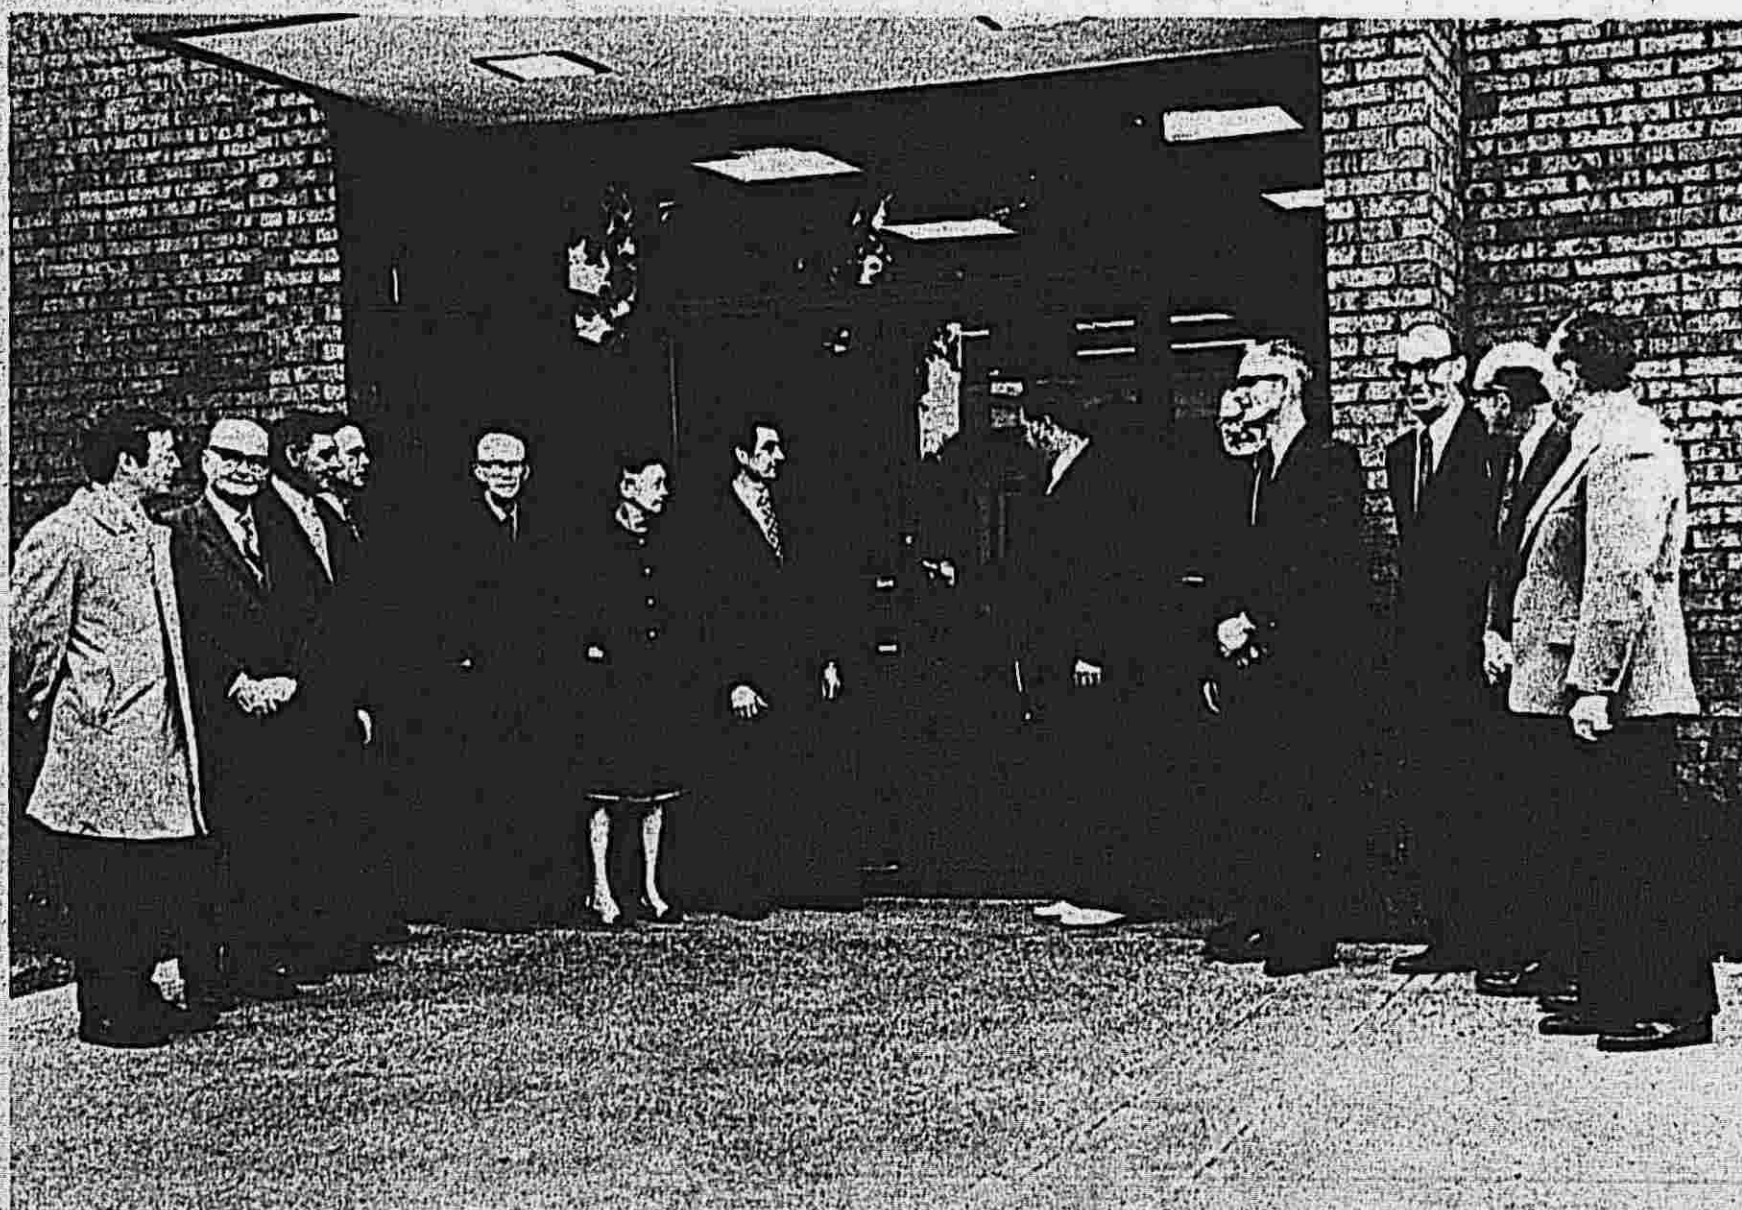

S.O.S.- SUCCESS

The Lions "Save Our Sight" day last Sunday was a real success as 1,152 people were screened. Eyes were examined for far vision, near vision, visual fields, depth perception, color perception, hyperopia, eye pressure (glaucoma), and muscle balance. According to Fred Marvin, who is the Executive Director of the program, the field of vision test

was the most important test. The test turns up any blind spot, which is the key to preventing blindness. Basically, this test is for those 35 years or older, since a blind spot occurs less frequently in children. The purpose for the test is to see that the eye is functioning totally.

Mr. Marvin also pointed out

LAST WEEK TO SEND IN YOUR SURVEY

★ SURVEY ★

All too often the average man is not consulted when the important issues of the day are decided. Invariably he has little to say in the workings of government.

But now, the average man has recourse. Through the following questionnaire you can make your feelings known to those whom you will elect.

The aim of this survey, then is twofold. First of course to indicate the preference of voters in key races. Second, to make a sounding of the issues that are most in the minds of the electorate and possible policies to be implemented.

We encourage anyone having additional viewpoints to jot them down on a separate sheet of paper. However, you need not expose your voting preferences. Signatures are not mandatory.

1. Whom do you prefer for president?

- ☐ Nixon
☐ McGovern
☐ other

2. Whom do you prefer for U.S. Senator?

- ☐ Percy
☐ Pucinski
☐ Other

3. Whom do you prefer for governor?

- ☐ Ogilvie
☐ Walker
☐ other

4. Rank in order of importance the most serious issues facing the nation.

- ☐ inflation
☐ Viet Nam
☐ welfare reform
☐ crime and drug abuse
☐ school bussing to achieve racial balance

5. Are you in accord with reforms instituted at both political conventions?

- ☐ Yes
☐ No
(if you feel the need to qualify your answer, please use separate sheet)

6. Based on information you have gathered, do you think the current administration has effectively controlled inflation and stabilized the economy?

- ☐ Yes
☐ No

7. Which do you prefer:

- ☐ increased
☐ decreased
☐ existing
spending for national defense?

8. Which policy regarding the Viet Nam POW's do you feel most likely to succeed?

- ☐ Require the return of POW's prior to withdrawal
☐ Withdraw first as a condition for the release of POW's
☐ Other

Please cut out and return to:

STANDARD TIME MEANS MOTORISTS MUST ADJUST

Motorists should be especially alert when Standard Time returns at 2 a.m. Sunday, October 29.

It takes a few days for drivers to accustom themselves to the earlier darkness that accompanies the time change. During the transitional period, a few simple precautions will guard the safety of motorists and pedestrians.

--For the first few days of Standard Time, reduce driving speed and increase following distance;

--be especially aware of pedestrians; they probably will not be accustomed to the time change;

--remember not to look directly into glaring headlights; center vision should be focused on the right edge of the traffic lane, while oncoming lights should be kept in the side vision.

The onset of earlier darkness also is the time for motorists to have headlights and windshields cleaned for maximum visibility, and to make certain taillights, turn signals and high and low beams are functioning properly.

25 MILLION YOUNG PEOPLE UNDER THE AGE OF 25 WILL BE OLD ENOUGH TO VOTE FOR PRESIDENT FOR THE FIRST TIME IN THE NOV. 1972 ELECTION.

profile of personal investment guidance: meet the new man in town

Name: Raymond H. Lewis

Vocation: Guiding investors seeking income and growth.

Representing: The Milwaukee Company, investment banking on the Bright Side since 1904.

Background: Former Vice-President with a New York Exchange member firm, Registered representative of a N.Y.S.E. member firm for the past six years.

Ray Lewis is indeed a new man in town. And, if you like the kind of guy who stays on top of things to help you handle your investing, it's time you met him. He represents a sixty-eight year old investment banking firm which is a member of the New York, American and Midwest Stock Exchanges. What's more, he would like to go to work for you, assisting in the purchase or sale of stocks, bonds and mutual funds. Ray can supply you with research reports on individual stocks and opinions on current market conditions.

So, if you'd like to start investing or if you'd like an opinion on your present investments, you can reach Ray at his office (641-1580) between 9:00 am and 4:00 pm or at his home in Antioch (395-6595) any weekday evening until 10 or on Saturday or Sunday, 9:00 a.m. to 6:30 p.m.

Better yet, clip the coupon to drop Ray a line. He'll call you. It's the neighborly thing to do.

Mr. Ray Lewis

KUKLINSKI UNLOADS

Casey Kuklinski, (Dem) candidate for State Representative has had something or rather someone on his mind. Something about someone that he has wanted to unload for some time and the Antioch News has decided to give him the opportunity to do just that. The target of his thoughts have been centered around his opponent W. J. Murphy, (Rep). He feels that the public should know some things about their present representative, therefore, he has tried to release to you his thoughts and convictions.

"Shouldn't a minimum of \$17,500 a year of your tax money, entitle you to the undivided time and flawless ethical conduct of representative government at the state level?"

A suit involving gross violation of conduct (Ill. Rev. Stat., Ch. 38, S33-1 d"), in reference to the purchase and lucrative sale of race stock by Rep W. J. Murphy, (R' Antioch), named as one of ten co-defendants in a suit filed March 16, 1972 by "Businessmen For The Public Interest, as representatives of and on behalf of all citizens, residents and taxpayers of the State of Illinois, remains unresolved."

Judge J. Waldo Ackerman (another of your salaried public servants) was directly responsible for delaying action on this suit for a period of six long months before declaring himself ineligible to hear the case, due to acknowledged acquaintance with an unstated number of the defendants.

In essence, to date, the case Chancery Docket (Gen. No. 166-72) filed in the Sangamon County Circuit Court has cost the taxpayers of Illinois the collective salaries of the ten co-defendants, who each

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

solicited the votes that gave them office, and the concomitant access to privileged information, and the power to legislate to the end of personal gain. The court salaries and costs, not to be ignored, purchased for you, what smacks of, collusion and delay by design.

Are these men elected to represent us and conduct our business, really going to be allowed to remain in office, by grace of your vote, abusing the power of that office by employing it in personal pursuit and gain. Rep. Murphy would no doubt prefer to have the entire matter forgotten. On Sept. 18 1971 Rep. Murphy stated (News Sun) "I'm sorry I did not get more." Greed? On Mar. 18, 1972 he stated, (News Sun) "a fictitious suit filed in Springfield by a mysterious group" Businessman For The Public Interest, an unknown group." This "fictitious mysterious" group can be contacted at 109 North Dearborn, Chi., Illinois.

For a \$7,000 investment (7,000 shares at \$1.00 a share) he netted a return of \$35,000. The suit seeks "Equitable Relief Sought". An article in the News Sun Mar. 18, 1972 claims "to recover an estimated \$500.00 allegedly made on racetrack stock investments." Anyone interested can obtain the case from the Sangamon County Circuit Ct.

Such unsavory "secretive" practices as these perpetrated on the public must be rectified in the polling booth on Nov. 7th by you the voting public."

C. Casey Kuklinski

EDITORIAL

PROTECT YOURSELF FROM CRIME.....

Many of us rave about how horrible the crime situation is, but we seem to be leaving ourselves open for attack. Unknown to many an unwary citizen, many routine home practices of the homeowner assist the burglar. An estimated 20 per cent of all breaking and entering cases occur simply because people leave doors unlocked. Many crimes may not have taken place at all if stronger barriers had to be broken. The eight nurses in Chicago may have been spared if Richard Speck hadn't been able to crawl so easily through the window on the first floor.

Finally, someone has stepped forward and is trying to make the homeowner see that he can pretty well protect himself. The Waukegan-Lake County Realtors are trying to make such an effort as they are sponsoring the "LIGHT THE NIGHT" Week campaign in this area. This is not a campaign that will last one short week, but rather it is a campaign that will last on into the year and into years to come, hopefully.

The Realtors have many organizations supporting them, such as the Lake County Sheriff's department and the Lake County Police Chiefs Association, but the support that they really need is yours. You are the one they are trying to help.

The Waukegan-Lake County Realtors are in the process of passing out pamphlets that contain information about home safety and how to protect your home when you are away on vacation, when you are gone for the night or even when you are home. Business protective measures are also considered. Everyday precautions are most important. Including: installing proper locks and using them. Keeping your home, garages, and porches well lighted. Keeping a light on in your home when you go out for the evening. Never leaving valuables lying around. Keeping a record of all serial numbers, and applying your own marks on all other items. Making sure all screens and windows are fastened. Buying merchandise only from a bonafide dealer. Buying bargains on the street may mean you are buying "hot" merchandise. Stop the burglars sales outlet. And that is only the beginning. You can pick up these helpful and pertinent brochures, entitled "CRIME STOPPERS TO PROTECT YOUR HOME AND FAMILY" "HELP COMBAT CRIME", and "LAWS AND YOUTH", at Charles J. Cermak, Realtor or Tiffany Real Estate in Antioch or any other participating dealer displaying a "LIGHT THE NIGHT" emblem in their window.

The case of the disappearing paycheck and what to do about it.

Some people learn the hard way. Paychecks disappear fast.

Day-to-day living expenses eat up a lot. And maybe part goes in the savings account for this year's vacation or another immediate goal.

A good chunk of that money seems to disappear by itself.

So it's no wonder that when it comes to long-term goals, or when an emergency comes up, there simply aren't funds to meet the need.

Unless there was a nest egg building up all that time.

A good way to build that nest egg is with U.S. Savings Bonds. The easy way to buy them is to sign up for the Payroll Savings Plan where you work. An amount you specify will be set aside from your paycheck and used to buy Bonds.

And while you're going through grocery bills, car repairs, vacation weekends, kids' toys and nights out on the town, you'll know you're saving money too.

That's good to know.

Now E Bonds pay 5 1/2% interest when held to maturity of 5 years, 10 months (4% the first year). Bonds are replaced if lost, stolen, or destroyed. When needed they can be cashed at your bank. Interest is not subject to state or local income taxes, and federal tax may be deferred until redemption.

Take stock in America.
Join the Payroll Savings Plan.

Carson York proudly displays the unusual rock that he found as he mowed his neighbor's lawn last spring. The rock is thought to have been moved north with the glacial movement. (Staff Photo)

ROAD TO FAME IS ROCKY

Antioch High School student, Carson York, found his way to fame as he mowed his neighbor's lawn last spring. Surprisingly enough, Carson stumbled across a very unusual rock, he dug it up and brought it home with him, thinking that perhaps it was a large piece of petrified wood. This fall he brought the unusual, but questionable rock to school to see if maybe his science teacher, Harrison Brown, could identify it. Mr. Brown found the rock to be of questionable quality and origin and sent the rock on to the College of Lake County to see if they could identify it. And sure enough Dr. Ronald Riepe, of their science department came up with the answers.

Dr Riepe categorized the rock as "Chert Nodule". Dr. Riepe explained, "The best interpretation here seems to be that the chert is a postdepositional replacement of the host rock, probably dolomite (a magnesium rich limestone).

Not a primary origin but secondary. The chert having filled a void space in the dolomite which had been dissolved out of the dolomite first formed on the ocean floor. Dolomite itself is a secondary magnesium enriched original limestone. Further observations would have to be made of the limestone, (or dolomite) to determine if it was the result of shallow, moderate, or deep Marine deposition."

Carson found this dolomite rock just off of Hillcrest Road on the west side of Channel Lake. This module was not formed in this area however, but probably came from the North with the Glacial Movement.

TOWNSEND LEADS WAY TO GUN SAFETY

It is a fallacy that police patrolmen do nothing but patrol the streets with an eye out for the delinquent driver or the suspicious person. At least it is a fallacy where Steve Townsend, an Antioch patrolman is concerned. Ptlm. Townsend will be beginning his fourth year as a gun safety instructor. (Yes, for the first time the Antioch Police Department, through the police community relations program, will be sponsoring a gun safety program.) He has been with the department for six months now and is ready to launch the gun safety program here.

The gun safety program will be held in conjunction with the Lake County 4-H and the police department, but you don't have to be a 4-Her to belong. If you are between the ages of 9 and 18 you are eligible to join, you don't even have to own your own gun, but of course it is helpful if you do. The class is open to both boys and girls and the parents are invited to

attend any or all sessions.

The students will be in safe hands as both Townsend and his wife, Lori, who is an assistant instructor, are certified as instructors with the National Rifle Association. Herb Haney will also be assisting the Townsends. Haney is a former student and graduate of the course and is now acting as a trainee instructor.

The course will last for eight months beginning in November and winding up in June. There will be two, two hour sessions each month. The purpose of the course is to teach the students marksmanship, gun safety, and proper use of storing and placing of rifle and shotgun. The first part of the course will be held at the Lake County Fairgrounds Extension Office. During these classes the basics of gun safety will be taught in the form of the "Ten Commandments of Gun Safety".

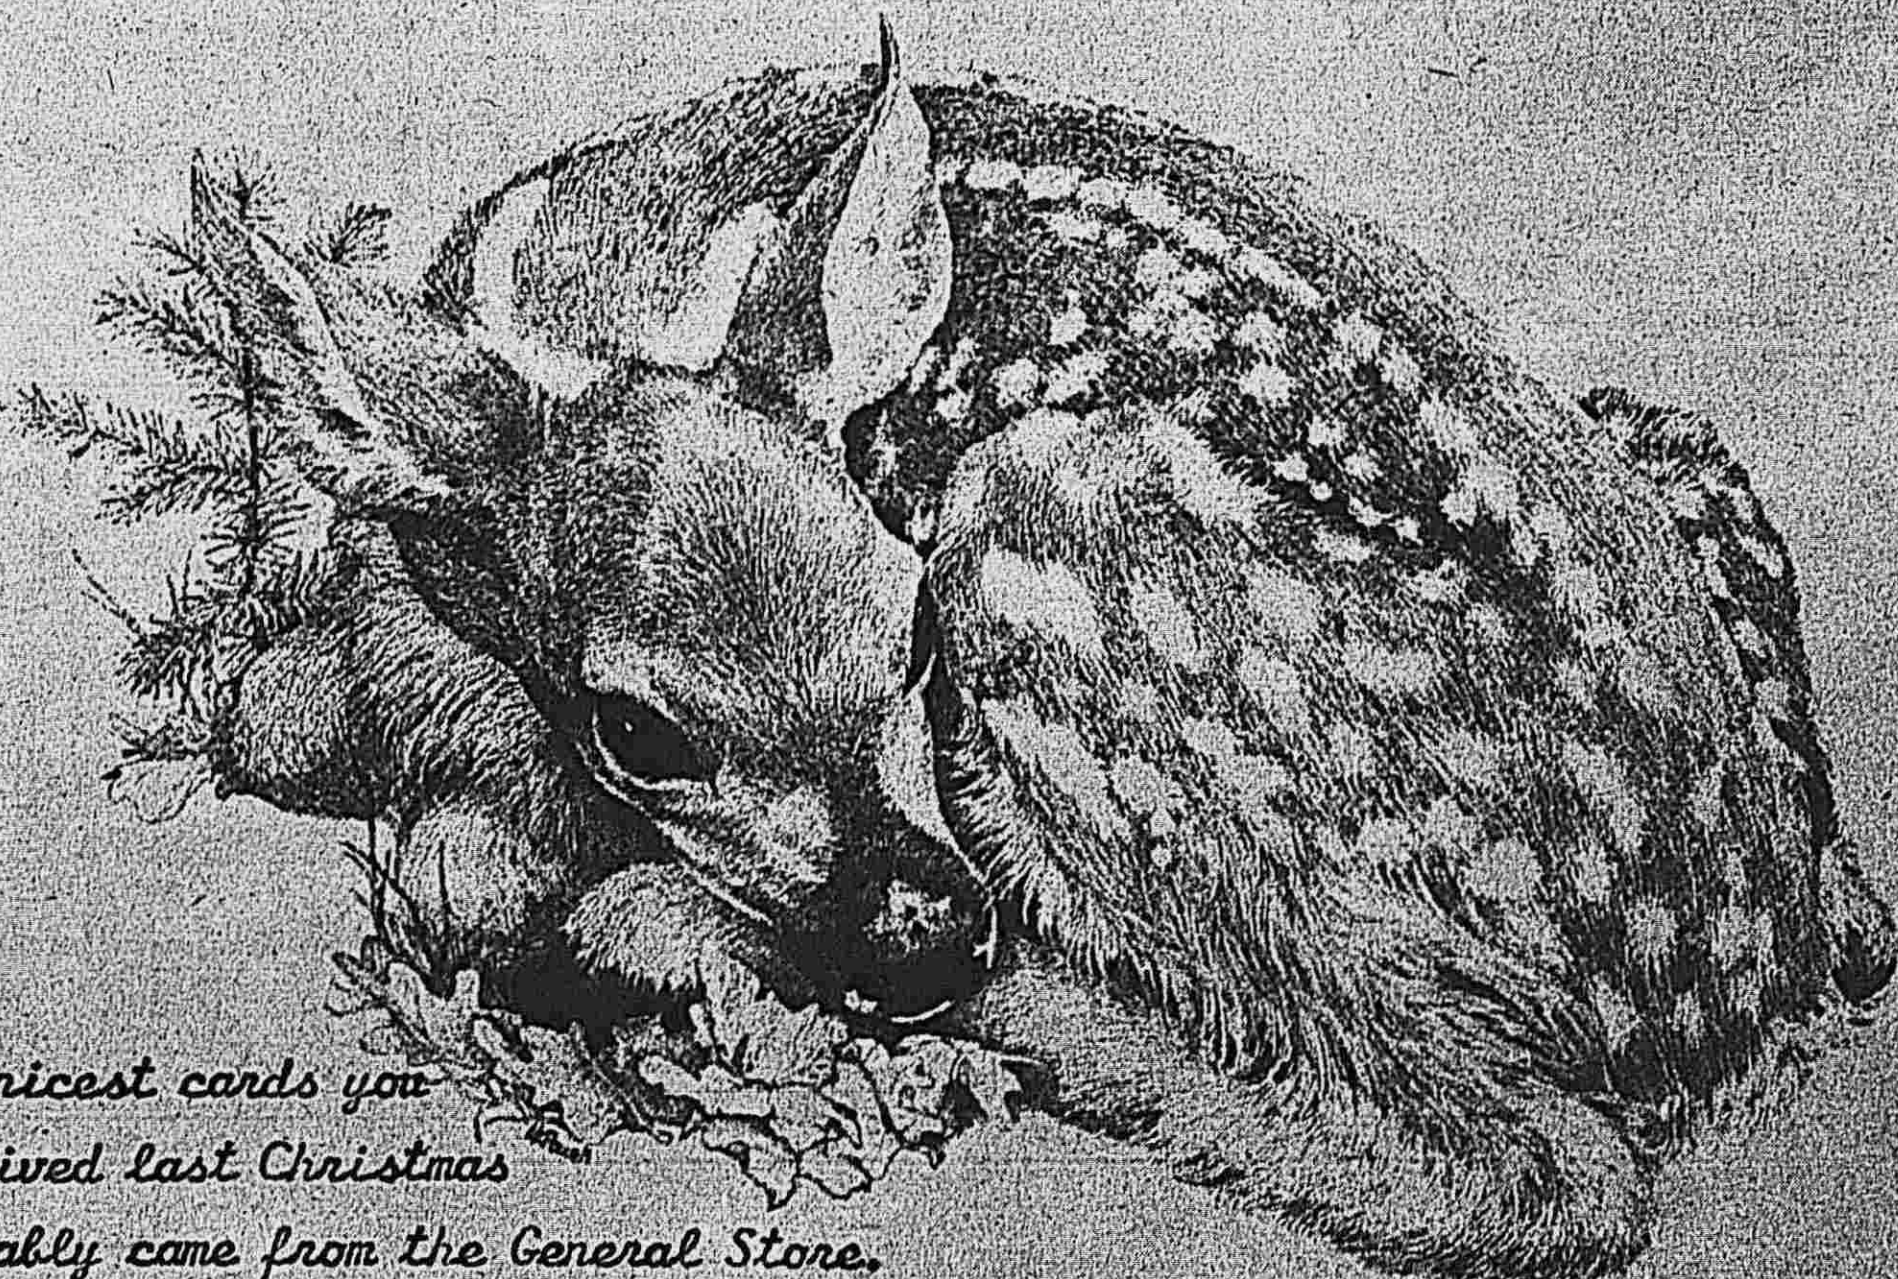

During the second half of the session the students will be taught how to shoot. The

shooting will be done at the Cross Gun Shop in Volo, Illinois and at the Kenosha County Conservation Club.

During this time the students will be preparing for next years Lake County Fair that will be held in July, when they will exhibit what they have learned in a special 4-H booth. At this time merit badges and certificates will be awarded.

Upon completing the course and participating in the Fair exhibit, each student will receive a certificate from the 4-H club of Lake County, under the guidance of the Police Department, which will promote "safe hunting, sportsmanlike manner and a conservative attitude toward nature".

The class will begin on November 4th. For more information call Bill Messerschmidt at the Grayslake Extension Office, 223-5844 or 223-4844. You could also drop into the Antioch Police Department and ask for Patrolman Townsend.

on cleaning up crime.....

Crime is predominant in all of us, and rightly so. The crime rate in the United States is nothing to sneeze at. The rate keeps climbing as crime upon crime is committed. Anymore, you aren't really safe anywhere, your home is one of the best targets and most frequent targets for such things as rape, murder, theft, assault, and vandalism. Many are as afraid in their home as they are on the street and many wouldn't even imagine going to Chicago at night, much less being out on the street. People are leary of everyone, from the man who reads your gas meter to the young boys who live next door.

This is not a very healthy way to live. Fear and suspicion should not be a part of our everyday lives. But, what can be done, if anything to elevate this problem of crime?

On November 7th we will be electing 3 men to serve in the General Assembly for the 32nd district. It is important for us to know what these men will do if they are elected to combat crime. Therefore the Antioch News has asked them to speak out on the subject of crime.

Karl Berning (Rep) incumbent candidate for State Senator: "The growing crime rate is a national dilemma. Reduction of this huge crime rate rests on every citizen as we accept and acknowledge the responsibility of civilized people. This requires a better understanding of the rights of people.

Berning continued, "We as citizens must encourage our courts to be more realistic in penalizing criminals. It seems that the right of the offender has become paramount to the rights and the best interests of society. These offenders are more often than not released to prey on our society.

Berning feels that we should support law enforcement agencies and the up-grading and adequate funding of training programs. Right now Senator Berning is in the process of working on a new approach to the funding of these vital training programs that will not draw on tax money. The measure is currently pending.

Donald E. Deuster (Rep) candidate for State Representative: "Citizens who walk the streets in fear, or sit in their homes in apprehension of violence are certainly not happy people. In most rural areas of Lake County I hear constant complaints about not enough police presence.

Much can be done to reduce crime and protect our citizens. The simplest, most direct and most effective measure would be to increase the number of our police officers - municipal, county and state - and to improve their training and pay.

Where is the money to do this? In truth, the money is already on its way. Only last week President Nixon signed the new Revenue Sharing Act, and in a few days checks will be mailed to the State of Illinois totaling \$275 million. Of this, \$91.6 million is the State share, and \$183.2 million will go to our local units of government.

All Lake County governments will receive \$3 million, and the Village of Antioch will have \$24,311.

Under the Revenue Sharing

Act these funds are to go for "high priority items," first on the list being "public safety." So, if the people of Antioch, Lake County and Illinois desire, much of this money may be used to combat crime."

W. J. Murphy (Rep) incumbent candidate for state representative: In Murphy's opinion the "courts are too lenient with criminals. Also the IBI and the FBI spends too much time in the investigation of little petty things, when they should be spending their time on more important matters. The best way to combat crime is to support law enforcement agencies. It is really up to the Law Enforcement agencies and the judicial branches to reduce the crime rate."

Daniel M. Pierce (Dem) incumbent candidate for state representative: seeks to get to the core of the problem and that is the family structure itself.

Pierce said, "We should try to build a firmer family

structure and we should start in the family stricken areas."

Pierce draws on a very good point when he suggests that we should examine the public aid programs.

"Often these programs will drive the head of the family out of the home in order to make the family eligible for financial aid. This is doing more harm than good, in fact it is undermining our basic social structure."

Casey Kuklinski (Dem) candidate for state representative: Basically and most important we should support just law enforcement and police training programs. We should also acknowledge drugs as a problem.

Kuklinski would like to see a drug information center in Lake County. There is a certain percentage of crimes that are related to drugs. He also supports a methadone program for drug addicts, which could restore self-respect and productivity. Kuklinski has recently been

appointed to the Lake County's Sheriff Drug and Abuse Program.

Stephen M. Slavin (Dem) candidate for State Senator: would seek to reform the state prison system to place greater emphasis on rehabilitation. He would also like to see a strict ban placed on the manufacture and the sale of hand guns except to licensed gun clubs. Furthermore, he would aim towards the development of a system of state compensation of crime victims.

Slavin also pointed out that 80 percent of the felonies are committed by repeat offenders and something must be done in this area to rectify the situation.

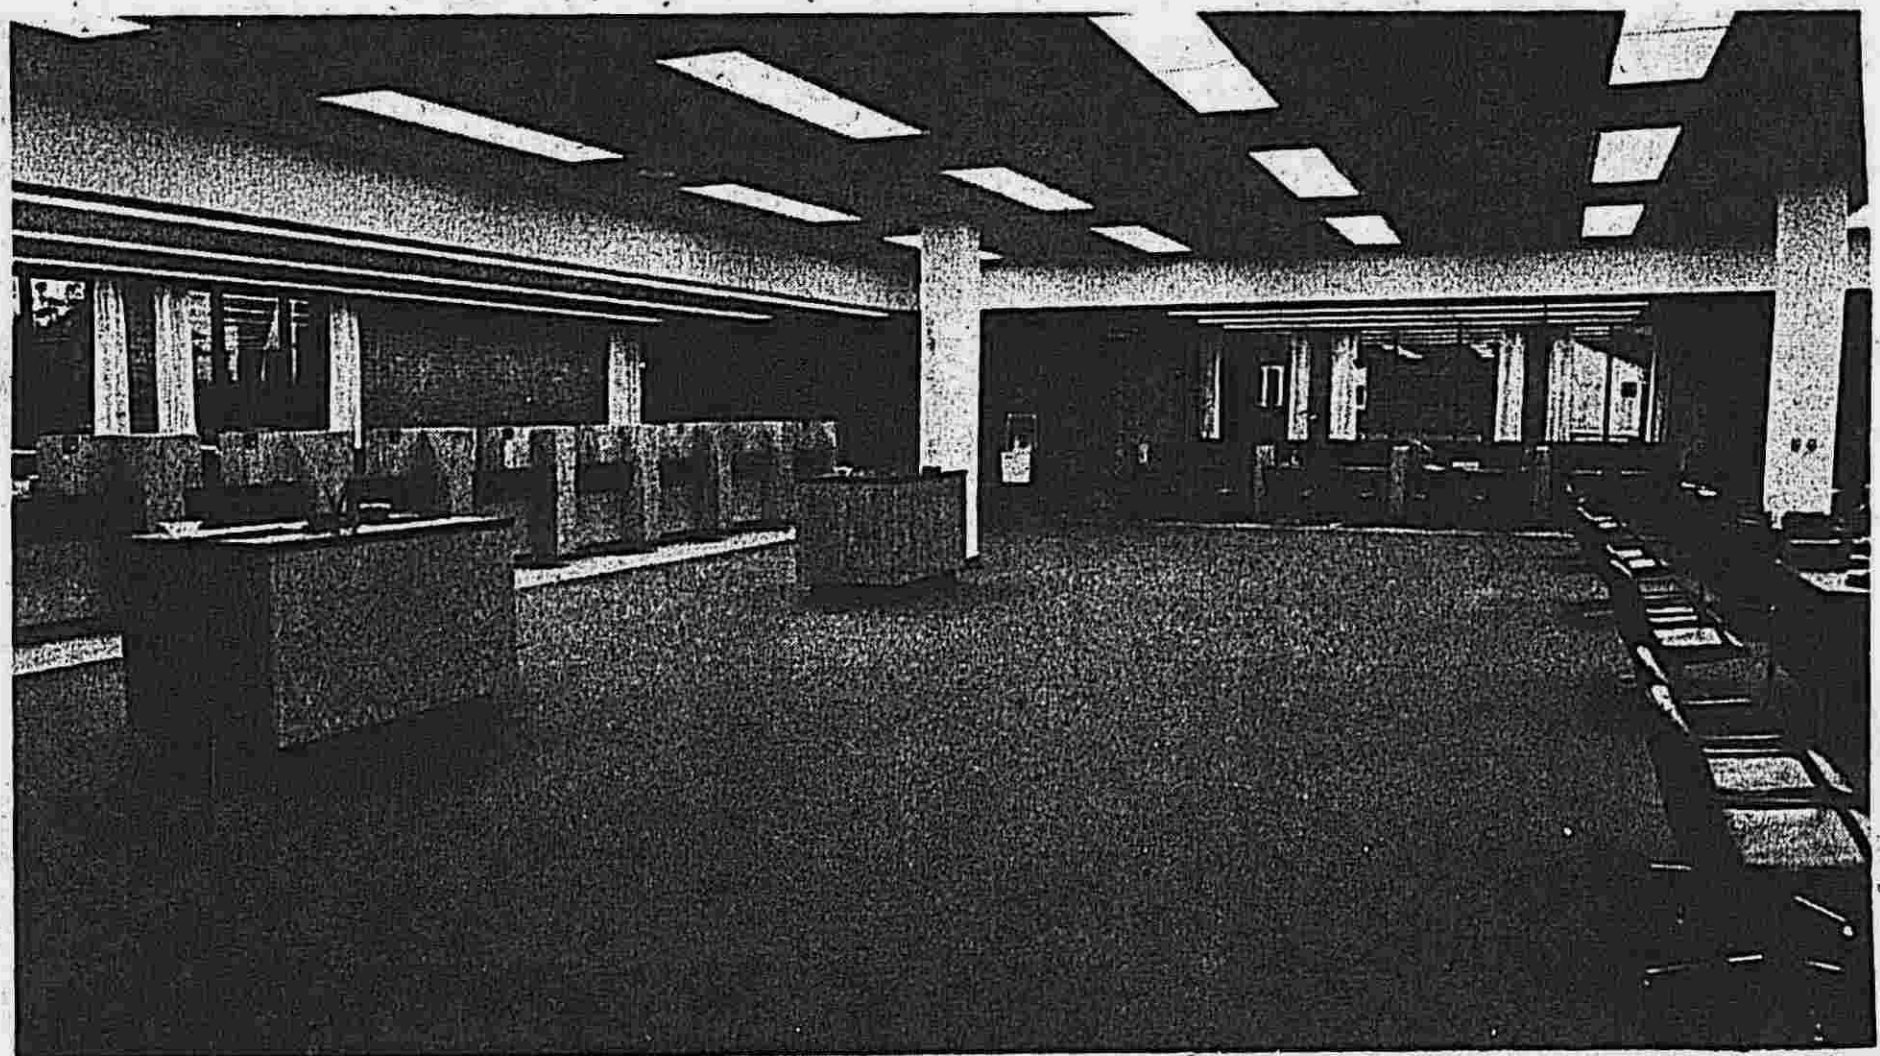

We hope that the above will give you our readers a better insight into the thoughts and the positions of our candidates. We also hope that you will think about all that our candidates have said on the various topics that we have covered. Election day is only a few weeks away.

New Deductions

Mr. and Mrs. Robert Kubicki are especially happy this week as the stork just flew over their house and delivered to them a fine healthy son. It is the first time that the stork has passed their way, but it made a correct delivery as the new baby's name is Robert Joseph Kubicki. Jr. Robert weighed 8 lbs. 10 oz. and was born on October 11 at about 1:18 p.m. in St. Therese's Hospital. The babies grandparents are Mr. and Mrs. Del Church of Antioch and Mr. and Mrs. Hank Kubicki, also of Antioch.

The stork, while he was passing through the area also made his second delivery at the home of Mr. and Mrs. William Goetzelman, who also received a son on the very same day. Stephen William is the new baby's name, he weighed 8 pounds and 13 ounces and is a real towhead. Stephen also has a sister named Sarah. Mr. Goetzelman is a teacher at the Antioch High School.

WE'VE FINALLY MADE IT!

NOW THAT WE'RE THROUGH MOVING INTO OUR NEW BANK WE CAN GET DOWN TO SERVING YOU EFFICIENTLY.

LaVerne Woods, President of the First National Bank presents a \$25.00 Savings bond to Mary Cermak, 1st place winner of the Halloween Poster Contest.

Ray Scarpelli on behalf of the Antioch Chamber of Commerce presents 2nd, 3rd and 4th place winners of the Halloween Poster Contest with their checks. L to r Ray Scarpelli, Riccarda Janka, Terry Wohlfel and Shirley Fosmark.

PERFECT PICTURE OF HALLOWEEN

Everybody pictures Halloween in a different way and this point was vividly illustrated last weekend as 130 Antioch Grade School students drew posters depicting their idea of Halloween. The First National Bank and the Chamber of Commerce once again sponsored the "Halloween Poster Contest."

The first prize, which was a

\$25.00 savings bond was awarded to Mary Cermak, of 911 David St. Other winners were: Riccarda Janka, second place \$15; Terry Wohlfel, third place, \$10; Shirley Fosmark, \$8 in third place; Lori Underwood fourth place, \$5. and Brian Lewkowicz, sixth place, \$3. Honorable mentions were awarded to Beth McLellan, Craig Jorgensen, Gina Calon-

der, Eda Dabberke, Sherry Wojnowiak.

The posters were judged by Virginia Cornelius, from Cornelius Realty, Betsy Lipscomb, from the Art Department of the Advertiser, and Barbara Rush, from the Antioch News. Winning contestants should watch for their posters to be displayed along with their ribbons in area stores.

CHRISTMAS THROUGHOUT THE HOME

The Antioch Welcome Wagon Newcomers' Club has a most delightful evening planned for it's monthly meeting to be held Wednesday, November 1st., at 8:00 p.m. at the Methodist Church. The newcomers' will serve as host to Miss Eileen Jensen, who will present a program of "Christmas Throughout the Home". Miss Jensen has presented on T.V. We are most pleased now to have her in Antioch. The meeting is open to all members, their friends and guests. We hope for a good turnout. This program will be of interest to all, especially with the holidays coming upon us.

After Miss Jensen's program, with many of the things we will all want to make, the Newcomer's Club will sponsor a trip to Lee Wards, planned for Wednesday, November 8th. This will be a perfect place to pick up

all the goodies for Christmas decorations. This will be a good day ladies to spend a day shopping followed by a lunch. Please contact Joanne Bell - 395-6733 or Lillian Nannini - 395-3352 for reservations and information.

Arts and Crafts will present a demonstration in wood block prints, given by Barbara Joerns - Wednesday, October 25th - 1:00 p.m. Call Barbara

at 395-6486 for directions and information.

October 31, at 1:00 p.m. Betty Baker will serve as hostess for a "coffee" at her home - call her at 395-3650 for directions or ride if you are in need of one.

Remember Wednesday, November 1st, is the monthly meeting. Plan to attend with a friend and plan for a delightful evening.

The Antioch Republican Club Men and Women are hosting a "Meet Your Candidate" night on Wednesday, November 1st at the Antioch Country Club. Admission is free, coffee and hors d'oeuvres will be served. Now's your chance to meet them all.

Julie Gutowski was the lucky winner of a 5'10" - 3ft wide black bear which was raffled off by the freshman class Monday afternoon. The bear which was made by the students for their Homecoming float is made of fake fur stuffed with newspaper and was raffled off to help defray the cost of the float. The Gutowski family room now has a very large addition.

Our congrats to Mr. and Mrs. Wm. Goetzelman who are the proud parents of a bouncing baby boy last Saturday evening.

BAKE SALE

Pi Delta Chapter of Beta Sigma Phi Sorority will hold a bake sale on October 28 at 9:00 a.m. in front of Dalgaards Grocery Store in Lake Villa.

BIOLOGY STUDENTS

ENJOY FIELD TRIP

The Kettle Moraine State Park was Visited this week by the Antioch freshmen biology class. The trip took place on the 18th as two buses full anxious and excited students left from the high school at 3:30 p.m. Mr. Goetzelman and Mr. Krahn, who are team teaching the biology class, escorted the students on their trip.

The students took a three to four mile hike along the scenic trails in the Kettle Moraine Park. During the hike they carefully selected small samples of plant specimens. Almost all of the students found ferns, moss, watercress and mushrooms. Judy Vendl, and Nancy Halverson were lucky enough to find an excellent example of a puff ball. Gail Jordahl found a branch displaying several kinds of fungus and moss. The students also found some "yellow stuff", which is better known as fungus, that has yet to be identified.

The trip did not lack excitement as Patty Ball stepped off the path and found herself waste deep in mud.

Fifty-five students went on the trip and each of them paid a dollar to cover the expense of the trip. A dollar is a dollar, but all of them seemed to feel that it was well spent. The trip was originated by Mr. Krahn and it is the first of its kind. It was such a success it is thought to become an annual affair. It is a good example of the ways teachers try to make classroom studies living examples.

The First National Bank is in their new home, and by all reports, the building is beautiful and gives quite an air of elegance - go in and look around.

Four local ladies just returned from a few days trip to Las Vegas. Didn't hear if they hit any big jackpots...??

Shirley & Bernie Gutowski, daughter Donna, Chris Forester, Carolyn Stanley, Mary Palanek spent an enjoyable Friday evening at the Ice Capades. The show was very impressing as usual and a good time was had by all.

Birthday congrats to Bernie Gutowski, Sr., Andy Proctor and Diane Wagner on the 26th, to Carol Bostow and Bernice Lupa on the 27th and to James Gutowski and Peggy VanPatten on the 30th.

Happy Anniversary to Beulah and Wally Anderson on the 27th.

The Seventh Grade Class at the Upper Grade School is having a newspaper drive. For pick-up service call Jim Gutowski, 395-1317.

How many of you were watching the football game last Saturday with the rain running down your faces. Seen many funny sights that day. Glad to see all the Sequoit supporters out there.

See ya at the Country Club
Annie Mae

Shown above, at a reception hosted by the Canadian Government Travel Bureau, Chicago, discussing Air Canada's '72 - '73 Skifari package tours to Western Canada are: Vera Randall, Youth Representative - Corbin Travel, Antioch, Ill.; Mr. Ron Miles, Air Canada's Regional Passenger Services Supervisor - Los Angeles; Mrs. Delores Randall, Corbin Travel - Antioch Ill.; Mr. Ron Miles, Air Canada's Regional Passenger Services Supervisor - Los Angeles; Mrs. Delores Randall, Corbin Travel - Antioch, Ill., and Mr. Dick Sebring, Air Canada's Reservation & Sales Office Manager - Chicago. The seminar was held at the Marriott Motor Hotel October 10th.

SUSAN DOBSLAF

Susan Dobslaf, daughter of Mr. and Mrs. Adolph Dobslaf of 53 Prospect Dr., Lake Villa, was elected freshman class secretary at Illinois Wesleyan University recently.

Miss Dobslaf was elected by a 65-58 vote.

She is a business administration major at IWU. She is a 1972 graduate of Antioch High School.

PAULA REEVES MARRIED

Mrs. Joan Reeves of 30 Hening Court, Antioch, announces the October 14 wedding of her daughter Paula Reeves to Mr. Douglas Feistamel of Wheaton. The couple was married in Wheaton.

Teacher's Aid, Pat Harland, participates in the Upper Grade School's new math program as she individually corrects student papers. (Staff Photo)

UPPER GRADE HAS NEW MATH PROGRAM

Students at the Upper Grade School are experiencing something new in their Math classes. No longer do they have to face up to the stigma of "falling behind", or for that matter, to the sometimes pressure of being at the top of the class. The Math Department has introduced a new program called Individually Prescribed Instruction (IPI) researched by Learning Research and Development Center, University of Pittsburgh. The program is designed to meet the needs and abilities of each student.

Under the new program, students are administered a series of tests to determine which areas of math students have mastered and or topics that need strengthening. Teachers then prescribe work for each individual student from over 270 booklets, text books, and other supplementary materials. With such

a wide variety of material, there is something for each student - from the very slowest learners to those students who find little difficulty with math. The program tries to insure some success for all students.

Materials are arranged in increasing order of difficulty, with the tests being the determining factor as to which section a student may begin. At the end of each section, a student is given a test to see if he can move ahead or if he must do additional work in the same level.

The program is highly dependent on volunteer aides. Antioch Upper Grade School has been very fortunate to enlist the services of concerned parents.

These volunteer aides include: Mrs. Carol Quinn, Mrs. Anita Wisniewski, Gail Fields, Cathy Haley, Betsy O'Leary, Mrs. Leahy, Mrs. Pat Harland, Mrs. Sandra Herbst, Mrs.

Roth, Mrs. Eunice Mueller, Mrs. Nancy Ratch, Mrs. Erwin.

However, more aides are needed. Because of the aides active involvement in the clerical and test grading tasks, many more students can be serviced efficiently each day. Teachers then can spend their time prescribing new math materials and aiding students with individual problems. With this program it is also possible for many students who have completed an assignment to help other students with that assignment.

Hopefully, most students in the program will leave Antioch Upper Grade School with enough basic math skills to meet the challenges of every day living.

SEQUOIT WARRIORS MEET

The Sequoit Warriors met at the home of Tom Hevrdejs last week. Election of officers was held. For president, Jim Nachowicz; Vice President, Lance Buchta; Secretary, Rick Larsen; Treasurer Tom Hevrdejs; Sgt at Arms, Jim Stanley; Reporter, Keith Larson; Recreation Chairman, Michael Cathamer; Booth Chairman, Bill Stanley, Community Projects, Al Nachowicz; Tour chairman, Bill Rentner.

Future projects and duties of newly elected officers was discussed.

Next monthly meeting will be held at the home of Rick and Keith Larsen.

SEQUOIT SUZIES BEGIN 12th YEAR

The Sequoit Suzies began their 12th year of 4-H work, at an organization meeting Oct. 5, 1972. Mothers were invited to help their daughters select the projects in which they will participate the coming year. Also activities of the club year were discussed. The club received a new slate of officers as follows; President - Rosaline Scheske, Vice-president - Riccarda Janka, Secretary - Lynn Hamlin, Treasurer - Gail West, Program Chairman - Kathy Walsh and Becky Janka, Recreation chairman - Liz Benes, Community involvement chairman - Karen Klean,

Sergeant at arms - Patty Gross, Reporter - Sue Hevrdejs, Fair booth chairman - Mary Joern, Tour chairman - Kathy Aschbacher, Share-the-fun chairman - Gail Olsen, Horse show chairman - Barbara Miller, 4-H Week chairman - Rosemary Scheske.

The older members and many new members showed much enthusiasm in organizing their club and program for 1973. Junior Leaders Leann Buchta, Sue Hevrdejs, Gail Olsen, Diana Rentner, Mary Steffenburg, and Rosemary Scheske offered to conduct meetings in foods, babysitting, room improvement, and clothing for younger members. Mrs. Scheske, Mrs. Hamlin, Mrs. Buchta, Mrs. Gross, Mrs. Van Patten, Mrs. West, Mrs. Miller, and Mrs. Hevrdejs offered their services as leaders in clothing, foods, flower arranging, arts and crafts, etc.

Again this year dedicated leaders and Junior leader of the Sequoit Suzies will give a little of themselves to bring a better tomorrow for the youth of our community.

"MARATHON" AT CLC

Eight ex-drug addicts will appear at the College of Lake County in MARATHON, a play which exposes the reasons for drug addiction. The drama, scheduled for October 30, at 7:00 pm in the CLC Quiet Lounge is free and open to the public. It is designed to be enjoyed as a theatrical experience and to change attitudes which cause drug abuse. Cast members are residents of the effective drug rehabilitation facility, Marathon House, in New England.

MC DONALD'S TREATS SCOUTS

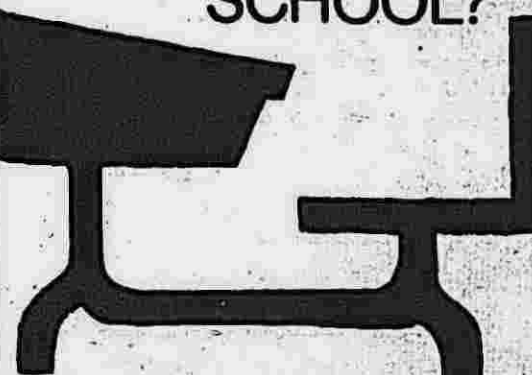

More than 35,000 new Cub Scouts, Boy Scouts and Explorers in the Chicagoland area will be treated to free hamburgers and french fries by the more than 100 McDonald's restaurants in the area.

Virtually the entire Chicagoland area is included encompassing the territory from Michigan City, Indiana to Waukegan, Illinois and as far south as Joliet and as far west as Aurora.

After signing up, all scouts will receive a letter from William Kimpel, president of the Chicagoland McDonald's Association, and a special coupon for a free hamburger and regular order of french fries.

The Northeast Council, covering all of Lake County, Illinois is among those participating.

HOW CAN YOU HELP YOUR CHILD IN SCHOOL?

School can be a demanding place. But in a Christian Science Sunday School, your child learns how God is the source of intelligence, talent, confidence. And he learns how to express more of these qualities every day. Why not bring your child to Sunday School this week?

Featuring the Alpine Serenaders

Per Person... \$3.95
Children (under 10) \$2.50

Industrious workers help to move the valuable property of the First National Bank as they moved to a new location last Wednesday. (Staff Photo)

MOVED.....

\$20,000,000.00

Who would ever guess that last Wednesday, October 18th, \$20,000,000.00 was moved skillfully, unobtrusively and safely across town? Greyhound, Mayflower or even Brinks were not on hand to assist with the move. Instead, our own Antioch Police Department did the job with great skill and efficiency.

The money belongs to the First National Bank of Antioch and it was moved from the corner of 83 and Lake Street to 485 Lake Street. Chief of Police Jack Wells saw to it that there was absolute security in both banking facilities and on Route between the banks. The move was made in an orderly and efficient manner. Nothing came up during the move in the nature of enforcement.

Chief Wells, who is an old hand at moving banks, had carefully planned the move. The entire Antioch Force was on hand to help with the exception of one patrolman

who answered everyday calls during the time of the move. Two State Troopers from the Elgin district were also on hand along with one Deputy Sheriff from the Lake County Sheriff's office. In all eight uniformed men maintained the tight security which led the \$20,000,000.00 safely to its new home. The amount of manpower was more than likely a definite deterrent to anyone who was bent on tampering with the money.

The move began between 8:00 and 8:30 a.m. Wednesday morning and was completed at about 2:30 p.m. The currency was moved in a manner that was known only to the chief of Police and the Bank President Mr. Woods. A large amount of coinage, however, was transported to the new bank in the back of a pick up truck. The pick up truck also carried several policemen riding on back, including Chief Wells.

ILLASSOC. OF TEACHERS OF ENGLISH ANNUAL FALL MEETING

The Illinois Association of Teachers of English will hold its annual fall meeting at the Peoria Hilton Hotel in Peoria on Friday and Saturday, October 27 and 28. The theme of the conference is "Reading: Focus '72". The purpose of the focus is to assist English teachers in the establishment or improvement of reading programs in English classrooms and in the school in general.

Bernard C. Fosmark from

9th ANNUAL BENEFIT FOR BLIND HALLOWEEN DANCE

The Lake County Blind Association will stage its ninth annual benefit Halloween Dance Saturday (Oct. 28) at the JM Club, 708 Greenwood Ave., Waukegan.

The "Scotsmen" will play dance music from 9 p.m. to 1 a.m. Larry Leonard, director of Community Affairs for Radio Station WKRS, will be master of ceremonies.

Mrs. Susan Suhrbier of Spring Grove, president, invites the public "to join us for a great evening of fun." Prizes will be awarded for the best costumes. Working on dance arrangements with Mrs. Suhrbier are Al Brean, vice president, and James K. Miller, treasurer, both of Waukegan.

The fund-raiser enables the blind to maintain their workshop and meeting center at 916 Glen Flora Ave. Waukegan.

Antioch Community High School will be participating in the annual conference. He will serve as recorder for the Focus Group "Reading Courses as Part of an English

Elective Program" at 8:30 a.m. Saturday and as recorder for the demonstration "Boxed Programs for Reading Improvement" (section 18) at 9:35.

JOHN BLACKMAN

BLACKMAN NAMED TO BOARD OF DIRECTORS

A recent addition to the board of directors of the First National Bank of Antioch is John Blackman, a lifelong resident of the Antioch area. A 1940 graduate of Antioch High School, John entered the contracting business in 1942 employed by Arthur Laursen. That same year he enlisted in the Navy and served in the Submarine Service on board the U.S.S. Sand lance. The Sand lance was awarded the Presidential Unit Citation for action

in the Pacific.

John also attended the University of Minnesota as a result of his Naval service.

Returning to Antioch and the contracting business, John entered partnership with his former employer in 1951 and was able to buy out Mr. Laursen by 1958. In 1960 Laursen and Blackman Company was incorporated with John's wife, Lorraine, and his two sons Donald and Thomas joining him as officer of the company.

HOMEMAKING ARTS & CRAFTS SHOW NOV 1

"The Country Store" is the theme of the annual Art and Crafts Show to be held at the Lake County Fairgrounds on November 1, 1972 from 10:00 a.m. to 9:00 p.m. The show will be held in the cafeteria building which is a larger building than has been used in other years. The Lake County Homemakers Extension Association sponsors the show which is held every autumn. Among the features of this year's show will be such old-fashioned crafts such as old fashioned dolls, patchwork, bonnets and baskets. Many of the booths will demonstrate and sell samples of breads, candies, jams, jellies, cakes and cookies.

A treat for the children will be a puppet show put on by one unit. An antique kitchen display will also be part of the exhibits. Small gift ideas will be shown at a separate booth.

This year, a buffet luncheon is planned for those who wish to spend the day at the show. The luncheon will be served from 11:00 a.m. to 1:30 p.m. Coffee and rolls will be served until 11:00 a.m. Snacks will be available from 4:00 to 6:30 p.m.

Mrs. Alfred Cagnoni of Rockford will give a demonstration and talk on spinning and dyeing natural fibers. She will speak at 2:00 p.m. and 7:00 p.m. in the cafeteria area of the building.

DR ABDERHOLDEN TO SPEAK AT "I QUIT" SMOKING CLINIC

An "I Quit" Smoking Clinic will be held at the Victory Memorial Hospital Amphitheatre on November 13, 14, 15, 16 and 17, from 7:30 to 9:00 P.M. each evening. The clinic is sponsored by the Lake County Unit of the American Cancer Society and is limited to 125 persons. Reservations may be made by calling the Cancer office at 228 N. Genesee Street, Waukegan, 336-9293.

Moderator of the clinic will be Mr. Donald Wasson, Assistant Administrator of Victory Memorial Hospital, and speakers will include Edward Abderholden, M.D., ad

Gerald Frank, M.D., Vern Zech, M.D., members of the Board of Directors of the Lake County Unit of the American Cancer Society; Mrs. Doris Reynolds, Victory Hospital Dietician, Mrs. Francis McCue, Director of Central Service for Victory Memorial Hospital; Aaron Spitzer, Public Education Director for the Illinois Division of the American Cancer Society; and Frederic A. Giere, Ph.D., Chairman of the Board of Directors for the Lake County Unit.

Films will be shown each evening and literature of help in discontinuing the smoking habit will be available.

S.O.S. SUCCESS continued

that 70 per cent of all persons checked have never had an eye check or it had been more than two years since they were checked. Marvin also commented that the test are not diagnostic in character, but rather they are of an exploratory nature. Any problems that were found were referred to that particular persons own optometrist.

The Lions are very happy with the success of "Save Your Sight" and are very grateful to the Vision Conservation Institute, Inc. for supplying all of the equipment.

Mr. Earl Stringer said, "We are very appreciative of the fact that so many people took advantage of the program."

DOWN TO EARTH

The play is being directed by Larry Baker of Twin Lakes.

Tickets ranging in price from \$1.50 for adults to 75 cents for children are on sale at the Emporium on Main Street in Twin Lakes, and also from cast members. Friday, Oct. 27th is designated especially for Senior Citizens with coffee and cookies for them during intermission. A special student night is scheduled on Friday, Nov. 3rd. Performance schedule is; Oct. 27, 28 & 29, Nov. 3, 4, and 5. Opening curtain is 7:00 p.m. on Friday and Sunday nights and 8 p.m. on Saturday nights.

Rehearsal scene from PM & L's Man of La Mancha (l to r) Manny Silverstein from Ingleside as the Innkeeper; Nanci Eberman from Antioch as Aldonza; Lou Jones from Round Lake as Don Quixote and Don Beveroth from Paddock Lake, Wis., as Sancho.

"MAN OF LA MANCHA" IN FINAL STAGES OF REHEARSAL

Four hundred years ago in October Miguel de Cervantes was born. And this month PM & L theatre has been celebrating with nightly rehearsals of "Man of La Mancha." Playwright Dale Wasserman took the Spanish bard's immortal story of Don Quixote, put Cervantes himself into it, and came up with a powerful musical play that has attracted crowds for several years.

Lou Jones of Round Lake doubles as Cervantes, a

capable but luckless novelist and poet, and Don Quixote, a noble, idiotic, wonderful knight-errant. Lou is associated with the Avon Players and has performed in such musicals as "Music Man" and "West Side Story."

Don Beveroth of Paddock Lake, Wis., is Cervantes' servant, but also becomes Don Quixote's lovable, faithful squire, Sancho Panza. One would be hard put to find a PM & L play that Don has not been associated with. Last year he played a major role in "The Price" and "Wait Until Dark",

which he also directed.

Nanci Eberman plays the brassy, beautiful, lusty serving wench, Aldonza, who becomes the object of Don Quixote's search for the pure maiden, Dulcinea. Nanci has been behind the scenes of PM & L for several years, and this is her first major role.

The play opens on November 4 and continues through November 10, 11, 17, 18. For reservations - and reservations must be made call 395-9702. Be sure to get a seat for the opening play of Antioch's theater season.

BEE SOLADAY ATTENDS

MEDICAL ASSISTANTS CONVENTION

Bee Soladay of Antioch, and Janet Krumm of Kenosha, Wisc., medical assistants to Drs. Abderholden, Lorang and Barnes, Antioch, Illinois are attending the 16th annual convention of the American Association of Medical Assistants (AAMA) here Oct. 17-21 at the Del Webb's Towne House.

Acupuncture and the perils of malpractice litigation are two of the many relevant program topics being discussed by the nearly 1,000 registrants representing 46 states and the District of Columbia. The education program, focusing on the theme, "Flight to the Future," begins on Thursday, Oct. 19, with a presentation on "Acupuncture and Body Energy" by William

A. McGarey, M.D. A Phoenix general practitioner. Dr. McGarey is currently involved in research on acupuncture for the epileptic patient.

AAMA is a national organization of more than 15,000 medical assistants including secretaries, technicians, receptionists, bookkeepers, office managers and other personnel. They work under the direct supervision of a licensed physician, serving as the direct link between him and his patients, associates and the suppliers of equipment and medications. One of the major objectives of the association is to increase the education and professionalism of medical assistants.

ST PETER'S AIDS UNICEF

Girls and boys from St. Peter School will forego the usual candy, gum and fruit treats this Halloween in favor of donations made to UNICEF, The United Nations Children's Fund. The students have been discussing the needs and rights of people since school opened in August and now wish to become actively involved in meeting needs and securing rights of all people, especially children. UNICEF's main purpose 25 years ago was to save young lives. To that basic unchanging goal has been added a new one: To help insure that young lives and talents in a developing world will not be wasted. St. Peter students hope to contribute in a positive way to the accomplishment of that goal.

WOMEN'S CLUB MEETS

The regular meeting of Antioch Woman's Club was held on October 16th. Mrs. Chas. Watson presided in the absence of Mrs. Anton Stanich because of a death in the family. The group from the Club will go on Tuesday, October 17 to the Lake County Home to have a birthday party for all those with a birthday in October. Mrs. George Hahn presented the program. Mr. Willard Richardson, who showed a film and talked about the Lamb's Farm near Libertyville. With its origin in Chicago as a pet shop, Corrine Owen and Bob Terese dreamed of a place where mentally retarded young adults could be more productive. The name "Lambs" came from the Bible. In John: 21-15, Jesus asked Peter if he really loved Him. When Peter said he did, Jesus said, "Feed My Lambs". And Bob and Corrine have dedicated their lives to these lambs or child innocents in adult bodies.

With the help of many businessmen and other philanthropic individuals a small amount of money, materials and equipment was made available. During the four years that the shop was in operation on State Street, \$20,000 was realized. The dream of Corrine and Bob - a tract of land, seemed to be beginning to come true. They found a 48 acre tract near Libertyville. The cost was \$186,000 - a lot of money. It was necessary to raise that amount of money in 90 days. Through a Chicago Tribune writer, Mr. Clement Stone of Chicago was

contacted. He purchased the land and the Lambs would now be required to pay to him \$35,000 in 10 years. However in 1970 Mr. Stone donated the land to the "Lambs".

The farm now has a bakery, children's zoo, farmers market, tea room and an arts and crafts center where the silk-screened Christmas cards are made. Under the guidance of Corrine and Bob, each of these enterprises will be greatly enlarged. Their fondest dream is a dormitory so that these young adults may have a place to live. Now they commute every day from Chicago. Lamb's Farm is different in 3 ways. (1) It is an organization for young adults. (2) It will provide a place to live as well as work. Fourteen men and 14 women will occupy the first building. Some day they hope to accommodate 200 people (3) It hopes to operate an enlarged retail business. Aside from their business operations they have 3 big events each year - Luana; Country Fair; and Clam Bake. On last Sunday they served 12,000 people.

The Lamb's Farm has come a long way since 1961 but to achieve all the dreams they still have requires much more money and experienced help. The Mental Health Assn in Antioch has as one of its largest projects the contribution to the Lambs and each year many thousands of dollars are made available by the Thrift Shop, Cotillion and other events. At the conclusion of his talk Mr. Richardson answered questions. Mrs. John Hojem and her committee served refreshments.

Obituaries

MR. GUSTAV ECKERT 60 years old of Rte 21, Lake Villa, Illinois passed away suddenly at his home Monday October 16th. He was born in Stuttgart Germany October 6, 1912 and has lived with his family at Lake Villa since 1956. Mr. Eckert was employed as a Plant Manager for Bell and Howell at Lincolnwood, Illinois.

Survivors are his wife June Trenker Eckert; 2 sons Todd Eckert and Lon Keckert and 1 granddaughter.

Memorial Services were held at the Church of Jesus Christ of Latter Day Saints, Gurnee, Ill on Wednesday.

MRS. ELSIE C. STEITZ 56 years old of 1915 Columbia Bay Drive, Lake Villa, Illinois passed away suddenly Sunday October 22. She was born Nov. 25, 1915 in Chicago moving to Antioch in 1938 and has lived in Lake Villa for the past 3 years. She was a member of the Lake Co. Planning Commission for many years and also a member of St. Mark's Lutheran Church in Lindenhurst.

Survivors are her husband John Steitz Sr., 1 son, John Steitz Jr., 1 sister, and 2 grandsons.

Funeral services were held on Wednesday, October 25th at 11:00 a.m. in the Strang Funeral Home. The Rev. Harold Nelson of St. Mark's Lutheran Church officiated. Interment was in Grass Lake Cemetery.

MRS. PAULINE ENIS passed away on September 8, 1972 in Enterprise, Alabama. Mrs. Enis was the wife of Vincent Enis formerly of Antioch.

Survivors are: Major Robert Eris, Joseph Enis and Mrs. Ellen Flynn of Wildwood, Illinois.

MRS. IDA ANNA SHOTTEN 82 years old of Salem Wisconsin passed away Friday, October 20 at 12:40 a.m. in the Kenosha Memorial Hospital, Kenosha Wisconsin. Mrs. Shotten was born on Feb 16, 1890 in Salem Twsp., Wisconsin and has lived there all of her life. She was preceded in death by her husband Walter Shotton on August 10, 1959 and 1 son James Shotton on Aug 2, 1958.

Survivors are 1 daughter, Mrs. Gwendolyn Murrie (Salem Wisc.) 2 sisters, 2 brothers, 2 grandsons and 1 great granddaughter.

Funeral services were held on Monday at 1:30 p.m. at the Strang Funeral Home in Antioch. The Rev. Ray Kotwicki of the Salem Methodist Church officiated. Interment was in Salem Mound Cemetery.

Christian Science Churches

In Luke 13 we read of Jesus healing the woman who had been sick for eighteen years.

In the Lesson-Sermon "Everlasting Punishment" this Sunday at First Church of Christ, Scientist, the first reader, Mrs. Evelyn Greer reads from Science and Health with Key to the Scriptures by Mary Baker Eddy. This commentary: "The procuring cause and foundation of all sickness is fear, ignorance, or sin. Disease is always induced by a false sense mentally entertained, not destroyed."

Everyone is invited to attend the services at BEACON HILL, Rte 173 and Harden, Antioch, Illinois at 11 a.m.

"THE RETURN"

THE RETURN, a new color, documentary filmed in the middle east will be shown at The Antioch Evangelical Free Church on October 29, 1972 at 7:00 p.m. The church is located at Tiffany Road and Highview Drive.

This new film documents the formation of the new nation Israel which, by all the laws of men and nations, is impossible. This ancient yet new nation now stands with both feet firmly planted in the very center of the world. Surrounded by her enemies and the sea, Israel is totally unique in history for she is an integral part of history.

To a growing number of scholars throughout the world, it seems her return to nationhood is the beginning of the fulfillment of her predicted destiny among the nations of the earth.

THE RETURN retells the events leading to the final hours of the world's history as the curtain opens and the drama begins with Israel the stage where mankind's most profound performance may be played.

Produced by the Evangelical Communications Research Foundation, **THE RETURN** is being released through Gospel Films, Inc. of Muskegon, Mich.

FINDING TRUE FREEDOM

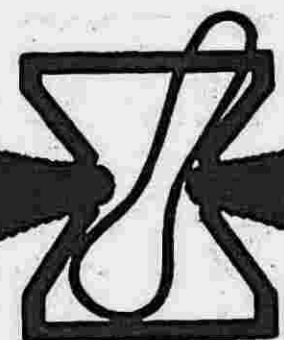

Three men tell how they found freedom from problems that looked like more than anyone could handle on a television program entitled, "FINDING TRUE FREEDOM," which will be seen in the Rockford area on Sat. Oct. 28.

Station WTVO, Channel 17, Rockford, will carry this program on Sat. Oct. 28, at 3:30 p.m.

This half-hour program shows how each of these men won out against odds. Each gained a sense of God's presence and power that broke down all thoughts of limitation and wrong. You'll hear experienced Christian Scientists discussing each case - telling how eternal truths were applied to bring about total liberation.

Watch this half-hour color program on Saturday, October 28, at 3:30 p.m. on Channel 17, Station WTVO, Rockford.

Purchasing the first Tom Sawyer stamp from the Antioch Postmaster, Mr. Barnas, is Mr. James

Kocmoud of Grass Lake, Antioch. Mr. Kocmoud has been a stamp collector for many years and is a member

of the Lake County Philatelic Society (stamp collectors). Looking on is Miss Holen, postal worker. (staff photo)

TOM SAWYER STAMP AVAILABLE FOR SALE

The Tom Sawyer commemorative 8-cent postage stamp, the fourth to be issued in the American Folklore series, was dedicated in Hannibal, Mo. where "Tom" lived as did Mark Twain who created him.

The U.S. Postal Service chose a Norman Rockwell painting of the celebrated fence whitewashing episode as the basis for the stamp. A replica hangs in the Hannibal Museum, and it appears also in "The Adventures of Tom Sawyer," produced by Heritage Press in 1936.

Bradbury Thompson designed the stamp. It was modeled by Thomas Kronen, engraved by Joseph S. Creamer, Jr. (vignette) and Robert G. Culin, Sr. (lettering) of the Bureau of Engraving and Printing. The print order is 135 million. One plate number appears on each pane of 50 stamps.

Tom Sawyer buffs will forgive Norman Rockwell's artistic license in reducing the height of the fence. It really was nine feet high and extended thirty yards, presenting Tom with a herculean task of whitewashing on that fateful Saturday when "all the summer world was bright and fresh and brimming with life."

Here to deliver the principal address at the First Day of Issue ceremony held in front of the Mark Twain Home was Murray Comarow, Senior Assistant Postmaster General of the United States.

Mr. Comarow noted that the

stamp was being dedicated on a Friday the 13th, "a date that struck terror in the heart of Tom Sawyer who is responsible for bringing us together."

He said the Tom Sawyer stamp serves three purposes:

"It remembers a young boy, who will never be forgotten, so long as books are read.

"It honors a man whom the encyclopedias call 'America's greatest humorist,' although Mark Twain was more, much more than a funny man.

"It recognizes the role played by a certain Mississippi River town in bringing Tom and Twain together. For it was here in Hannibal that Mark Twain began a professional writing career that would last more than 40 years and which would bring him world renown. Mark Twain, himself, was honored with a stamp that was first issued here in 1940.

RUBELLA TESTING EXPLAINED

Fifteen members of St. Therese's medical laboratory participated in a rubella workshop presented by three staff members from Abbott Laboratories on Oct. 6th at the hospital.

The purpose of the workshop was to acquaint the St. Therese staff members with the micro-technique used in rubella testing for pre-marital exams, now a compulsory state requirement.

Rubella, commonly known as German measles, is a compar-

atively mild disease, but can be very serious if contracted by a pregnant woman causing serious pathological conditions of the heart, eye, ear, teeth and central nervous system in the unborn fetus.

According to Sister Charle, Supervisor of the Clinical Laboratory and coordinator for the School of Medical Technology, as of Oct. 31st, St. Therese Hospital will be state approved to provide the rubella test along with the

Serology test as part of the standard pre-marital examination. The rubella test determines whether or not individuals have antibodies from previous contact with the disease. If the tests prove negative, an immunization vaccine can be administered to protect the individual.

Included in the laboratory staff members attending the workshop were the nine students enrolled in St. Therese School of Medical Technology.

MICHAEL L. JONES

Navy Petty Officer Third Class Michael L. Jones, husband of the former Miss Jean A. Beach of 2106 Chesney Drive, Lake Villa, Ill., has completed the field Medical Service School at the Marine Corps Base, Camp Lejeune, N.C.

His studies included field first aid, weapons orientation, preventive medicine, sanitation and other military subjects.

He is a 1969 graduate of Boone High School, Boone, Iowa.

384 Lake Street Antioch, Illinois

BITS AND PIECES

By: Taffy Engelhardt

Monday, after homecoming, saw many absentees and tired, sick people. Working on floats late at night in cold barns, decorating the field at 6:00 a.m. in the cold rain, participating in or watching the parade when soaking wet, and 4 hours of rain and cold at the game could be some contributing factors. Things did go well though. Mr. Blecke asked that the student body be commended for the success of spirit week. There was no rowdiness, only one sign had to be taken down, and there was a large amount of participation. Even the Senior Outhouse

THE POLITICIAN THAT DIDN'T CAMPAIGN?

The first hour journalism of Antioch High School had a visitor yesterday. Mr. Milton, of the Lake County Republican Party.

There weren't any speeches about why we should vote for the President, governor or anyone else running for public office.

Mr. Milton told the class the importance of voting and how different people lose their jobs each election if their man isn't re-elected.

He also told us how he got started in politics and what a chairman of a party does.

Towards the end of the class we saw pamphlets on the President and governor. Maybe he is the politician who came to campaign? Carla Teichman

"SEQUOIT HAPPENINGS"

was accepted!!!! Some people were a bit surprised to see a red and grey toilet in the commons - the seniors were proud!

Many people seemed to be disappointed with the parade. There were no bands, and because of the rain the queen and court, GAA attendants, and many others had to ride in closed cars. There were also some soggy floats. The winning float was made by the Junior Class. The seniors were second. Surprising everyone, the freshman turned out a better float than the sophomores and left last place for the class of 75.

This year's bonfire and pep rally were great, considering the weather. Bucky Albright, the announcer kept the crowd going. The tricycle races between the class officers were a great success. First place winner was the freshman class. Greg Misure (president of the freshman class) was honored by smashing a pie in the face of the losing class president, Junior Bucky Albright! Following the announcement of our reigning king and queen Tim Staples

and Connie Wiczorek, everyone proceeded to the HUGE bonfire, which was mainly prepared by the senior men. On the top of the bonfire stood the CLASS OF 73 flag. The bonfire was so huge that on Saturday morning, the glow of burning wood could still be seen, in spite of an all night rain.

Seeing drowned rats at the game turn into beauties for the dance made me a believer in fairy godmothers. The committee in charge of decorating the gym should be given some credit. It was a beautiful environment. The band was the best I'd ever heard at homecoming and the king and queen and court were exceptionally attractive. Since the boys on the court weren't known last week, they should be recognized at this time. Freshman: Todd Meyers, Sophomore: Jeff Zerson; Junior: Brandie Abear; and the Senior: Glen Amundsen, Fred Popp, and King Tim Staples.

Time seems to go by so quickly - Homecoming 1972, A Sequoit Songfest, is ended.....

WHAT ABOUT OUR ALUMNI?

All of our news has been revolving around the "present" Antioch High students....But what about our Alumni? Have we forgotten them?

Elda Minger, a 1972 graduate of Antioch High, is now attending Kenyon College in Gambier, Ohio. Elda's sister also attends this college. Elda has been writing me since her first day at Kenyon. Her comment was, "I have never had to study this much in my life!!!"

Gary Racine, another '72 graduate, commutes to the College of Lake County. When asked how he likes CLC, Gary said, "You have to join activities to meet kids because there really isn't much campus life!"

Another interesting method of getting an education is being demonstrated by Sue Ann Stanich. Sue Ann is attending the International School of Fine Arts and Fashion in Miami, Florida. What a place to get an education!

OUTHOUSE EVEN "ACCEPTED"

WEEK OF OCTOBER 27-NOVEMBER 2

AIRIES (March 21-April 20): Life's a mixed bag for you through the end of the month. Quarrels with spouse or steady may upset you. But financial aspects look great, perhaps from an investment that pays off or an unexpected gift. Patience is the key to better romantic relationships.

TAURUS (April 21-May 20): Hard work could pay off with increased job prestige or income through first two days of November. Be extra careful to avoid accidents while driving over the weekend. Romantic aspects are mixed. If you've been separated from a loved one, now's the time to write that letter you've been putting off.

GEMINI (May 21-June 21): A favorable time for entertaining, social activities centered around the home. Financial problems should ease, especially if you take stock of your resources and manage budget carefully. Creative projects begun after Tuesday should be successful and bring recognition.

CANCER (June 22-July 21): Shopping for something you've secretly desired could give your spirits a lift. A long simmering family dispute could be settled if you bring things into the open and discuss matters candidly. Romantic signs indicate harmony with mate this weekend.

LEO (July 22-Aug. 22): The moon is in your zodiac sign, signalling a happy social period dominating your interest Saturday and Sunday. Avoid weighty decisions involving career or financial matters until early next week when the stars are more favorable. Don't worry unnecessarily about loved one's moodiness.

VIRGO (Aug. 23-Sept. 22): Break your routine and visit friends or relatives this weekend. But don't stray into situations that could tempt you to cause unhappiness for a special friend or partner. Be careful of joint finances and avoid disputes with co-workers or associates early part of next week.

LIBRA: A long period of dissension that has caused you unhappiness and insecurity may be drawing to a close. Make your own decisions in matters of romance, family relations. Your sincerity and candor will be appreciated. Take care around the home or while traveling to avoid accidents.

SCORPIO (Oct. 23-Nov. 22): Your intuition involving family or friend is right. Don't believe everything you hear. Weekend is fine for short trips, but be ready to settle into routine at work Monday and Tuesday. Superiors will be impressed by your dedication.

SAGITTARIUS (Nov. 23-Dec. 21): Weekend can be a good time for shopping. Purchases made with care can fulfill a long-felt need. Get plenty of rest to prepare for a more active social life during coming week. A surprise invitation may be on the horizon.

CAPRICORN (Dec. 22-Jan. 20): Get busy on that hobby or educational project you've been thinking about. Auspicious period for creative projects. You are due for a turn of good luck Tuesday or Wednesday. Moon in your zodiac sign is favorable for career advancement, social life.

AQUARIUS (Jan. 21-Feb. 18): Pay more attention to family problems to maintain harmony in the home. Care while driving will be appreciated by mate or partner. Social life due for an upturn in midweek. You can make some financial gains if you exercise judgment.

PISCES (Feb. 19-March 20): A little more rest can help you regain energy. A happy period indicated Saturday through Tuesday. Later in the week, financial aspects are good for pursuing investment opportunity. Just be sure you know all the facts.

BLOOD PROTECTION NEEDED

Waukegan and Lake County residents who tend to take all hospital coverage for granted must face the reality of the need to protect themselves by joining a blood replacement program.

Blood replacement is not covered by most basic insurance policies. As of October 1st all blood must be labeled "donated" or "purchased". By July 1, 1973, all blood must be voluntarily donated.

Because of the new law about to take effect in Illinois and other states restricting the use of "sale blood" established to eliminate the high incidence of

blood in which disease carrying bacteria and viruses were found, a shortage of available blood in local hospitals is sure to follow.

St. Therese Hospital in Waukegan along with 50 or more hospitals in Illinois is offering a Cooperative Blood Replacement Plan to the public.

Sister Charles, supervisor of the clinical laboratory at St. Therese emphasizes that a one-pint donation made at any member hospital assures the donor of unlimited blood replacement anywhere in the

United States. For each pint given, a single individual gains coverage for 4 years, joint coverage (husband-wife) for 2

years or family coverage (including all children under 19) for one year. The St. Therese blood bank is

open at all hours. Call for an appointment. Any family member 19 and over, in good health may donate.

With a Stern Eye

The days are getting shorter, the skies greyer, and I am getting crabby. November 7th is only a couple of weeks away.

"For heaven's sake—I might as well be running myself this year for the number of evening meetings I've got!" I snarled recently. "I haven't seen the kids at dinner—not that that is such a treat, really—for over a week. I passed Hub in the kitchen around midnight on Tuesday and had to be introduced."

"Sure, sure," said one of my less reverent staff. "What you need is a cigarette."

"Certainly not!" I answered. "It has been three weeks and two days and I can feel my lungs getting pinker and stretchier and more—"

"Yup, yup."

"I'm raising Cain with you guys for good reason—and it has nothing whatever to do with my not smoking! Here we have these Tally Sheets for the Judicial Retention ballots, and they're all wrong. We have to do them over."

"There's no need at all for those to be a separate paper ballot anyway," said Fred. "Some of our Election Judges have probably never had to count paper ballots in the Polling Places and—"

"Would you uh, just let your pipe go out, Fred? There's a good lad. Yes, you're right of course, but it's not such a big deal. Just a nuisance. Everything is a nuisance right now!"

"As a matter of fact I think we're doing great," said Terry. "The ballot pages are nearly all crimped and ready to go into the voting machines; the printing is all finished. The Poll lists of registered voters have come back from Xerox and—"

"—and they're a mess," I said. "Well, maybe not a mess. They're perfectly legible and clear and concise. It's just that Xerox sent them back all galley-west as far as order is concerned. Those boxes have all the Townships and all the precincts mixed up together."

"We saved \$45 on reproducing them" said Terry, "and I've got a \$45 headache trying to get them sorted out."

"Are we all ready for the Election Judge School tonight?" I asked, spitting out the end of fingernail I had been working on. "I don't know if there will be a hundred people

OWN SLEEPING QUARTERS

If your pet dog or cat is constantly taking a nap on your living room sofa, your favorite television chair or some similar cozy place around the house you may have no one to blame but yourself.

Pets—like humans—like to

there, or five hundred. Makes me twitchy."

Both the young men nodded agreement at the word. "Twitchy. I should say."

"And I've been getting a fair amount of reaction from the voter registration we had last week at the Zion Nursing Home."

"Flak on it?"

"No, not really. A couple of really thoughtful and concerned letters on the subject. What a competence to vote? Who is to judge? The fact is that Illinois law does not consider the question. And I guess I wouldn't want it included. And yet—"

"When you think of the sort of nonsense they do consider."

"Aha!" I pounced. "Rubella! Agglutination Inhibition Tests!" The subject makes me instantly testy. "Hogwash, that's what it is. The law is so much legislative bunk. As a matter of fact, Cook County Judge Covelli has instructed all us County Clerks to stop enforcing that requirement. There's a suit pending, I guess, and until it is decided—"

"I can't see that the requirement is unconstitutional though. It does seem badly conceived and ineffectual," said Fred.

"And as if all this were not enough," I said, "We're up to here in absentee ballot applications and new registrations to be processed. And in today's mail I got a letter from a student who wants me to draw her a county map showing the pockets of Republican and Democratic strength (precinct-wise) during the 1964 and 1968 elections. When in heaven's name would I have time to do that?"

"It would be a good project," said Fred, relighting his pipe. "I wish we did have time for that kind of thing. We could keep such information on file and—"

The smoke drifted over the desk in a seductive cloud.

"Put it out, Fred," I begged weakly. "Put it out. It smells devine."

nap and a dog or cat will seek out the cozy "human" places to do so unless they have been provided with adequate pet housing and have been trained to use it.

Dogs and cats should always be given their own sleeping quarters, whether indoors or out-of-doors.

In selecting appropriate housing for your dog, you should first decide if he will be an "inside" or "outside" dog, sharing the home or kept outside, in the garage or in a fenced-in yard.

If he is to be kept in the house, I recommend that you build an indoor kennel. You can use a rectangular wooden box, attach a hinged door and make several air holes.

Shipping crates used by kennels and professional handlers at dog shows make excellent indoor kennels. They are strong, lightweight, and give adequate light and air circulation. Lightweight wire crates are available at most pet shops and also make good indoor kennels.

The best bedding for an indoor kennel is newspaper, laid flat. It can be rolled up for removal, so that dirt and hair are automatically carried away. If you have a young pup, add some of your old, well-worn and unlaundered clothing. From the clothing the puppy will get your odor. This will comfort him, making him less lonesome while he is getting used to his new bed.

Raise the kennel off the floor and place where it will be free from drafts or excessive heat. It should be out of the line of household traffic. Your dog should have access to plenty of fresh, clean water.

If you plan to house your dog out-of-doors, his dog house should be weatherproofed. Dogs can be kept out-of-doors a

LAKE COUNTY DEMOCRATS PLAN HUGE RALLY

Lake County Democrats will gather at 8:00 p.m. on Thursday, November 2, at the V.F.W. Hall, 124 S. Utica Street, Waukegan, for what Democratic County Chairman Herbert L. "Hub" Stern describes as a huge pre-election rally and Central Committee meeting. In attendance will be all local candidates for county and legislative office and most of the state candidates.

Originally scheduled as a Central Committee meeting - a meeting of the county's 235 Democratic Committeemen - for the purpose of a final pre-election distribution of

literature and election day information, the meeting has been expanded with an invitation to the public and, in particular, to all Democrats and to all independents interested in supporting one or more of the Democratic Party's candidates.

There is even a rumor that cannot be confirmed that efforts are being made to persuade Senator McGovern to stay in the Chicago area one additional day and attend the Waukegan rally.

EDITOR'S NOTE: Senator McGovern will be participating in the huge Cook County pre-election torchlight parade and rally on the evening of November 1.

large part of the year if they have a snug, waterproof, insulated dog house.

Once your dog is trained to his kennel, he will prefer to use it, without any coaching from you.

There are all kinds of fancy cat beds on the market but your pet will be just as happy with a cardboard box lined with a comfortable cushion. Provide two washable covers to insure cleanliness at all times.

Whatever type of bed you provide, it should be elevated several inches from the ground. Floors are drafty! Also, select a secluded place well away from the regular traffic areas in your home.

Your cat may have his own

ideas about where he wants to sleep and you will have to train him to sleep in his bed. If you have a young kitten, wait a day or two after you bring him home before you begin training. Give him time to adjust to his new surroundings. If the kitten doesn't discover his bed, place him in it and pet him.

If the kitten insists on sleeping somewhere else, consistently and firmly remove him from his self-chosen spot and place him in his bed. He will learn to use it.

Depending upon the allotment of space, location and the personality of your pet, it may be helpful to consult a local veterinarian when making your final selection for pet housing.

"Walt" SCHILLER
Roofing & Insulating Co.

188 Lewis, Burlington, Wis. WALTER J. SCHILLER - OWNER

Mr. Steven Rzyzko, Sr. of Sunnyside Subd. was the guest of honor at a VIP party last Saturday evening at Mr. Wonderful's Oakland Resort. The party was hosted by Steve Jr. and Beverly Rzyzko who own the resort which was formerly "Stanley's". The cocktail party and delicious buffet supper featuring many homemade Polish dishes, was enjoyed by about 110 friends and relatives who were there to wish Mr. Rzyzko well. Among the guests were his wife and three daughters, including daughter Gerry who is a former Channel Lake Resident, his grandchildren and great grandson, Scott. The very surprised gentleman who will be 83 years old on Christmas day enjoyed very much his many gifts, one of which was a photograph album entitled "This is Your Life" and included many pictures of his days on the Chicago police force right up to the party Saturday nite.

Tom and Harriet Runyard recently returned home from a three week tour of the western states, including spending some time in Las Vegas, Nevada.

Helen and Earl Anderson of Edgewood Rd. returned home last Thursday after spending a six week vacation at their mobile home in Wild Rose, Wisconsin.

The annual fall meeting of the American Power Boat Assn. Region 7 was held last Sunday at the Holiday Inn in Kenosha. Attending the meeting were Lou Portalski and Joe and Louise Gutowski. Lou and Joe were both elected to the Region 7 board of directors, Joe will be representing all inboard officials in Region 7. The meetings were well attended and very informative and are aimed at promoting bigger, better and safer boat

racing in the Region 7 area which includes Wis., Ill., Ind., and Iowa.

Wayne Bobo, George Hucker, Dan and Dave Runyard returned home Saturday evening from a week long deer hunting trip to Wyoming. The men were prepared for cold snowy weather, enjoyed sunny 70 degree weather instead. All but George were successful in bagging their deer as the warm weather didn't make the hunting very easy. George and his family will enjoy some venison though because Wayne Bobo shared his 200 lb catch with him. The Bob's already enjoyed a couple of steaks and said they were delicious.

Don and Barbara Bjork along with daughters Joan, Judy, Janet and Jackie spent the weekend in Carbondale, Illinois visiting their son John who is attending the school there. The Bjork family took this occasion to break in their new camper trailer for the first and last time this season. Spring can't be too far away, can it?

If you have old newspapers standing around, the 7th graders of the Upper Grade school would like to collect them. For further information please call Jim Gutowski, 395-1317.

Let me know the news.

RIFLES DEFEAT DELAVAN

The Lake County Rifles tuned up for the playoffs in the Central States Football League by defeating Delavan 41 to 0 Saturday before 1,534 drenched fans.

Earlier this season Lake County had defeated the Red Devils by the same identical score.

There was no doubt as to the outcome of the game after the first offensive play by Lake County when Jimmie Brooks scampered 36 yards around right end for a touchdown. If Delavan nursed dreams of an upset in the second half it ended on the second play of the third quarter when Brooks on an identical play scored on a 16 yard run.

Delavan never threatened to score even though their Ed. Williams led all rushers with 110 yards in 32 carries. All of his rushes were between the two 30 yard markers. The total offense for Delavan was only 191 yards all evening.

PLAYOFFS SATURDAY

Lake County finished the regular season with 8 wins and 2 defeats which qualifies them

to meet the Rockford Rams, the second place finisher in the Southern division which won 6 and lost 4 games.

Rockford started the year out with a slow start but finished strong, including a 13 to 3 win over the Rifles. The two teams met in the first game of the season and Lake County was the winner 17 to 0.

The playoff game will start at 7:30 p.m., a half hour earlier than normal league season games, and will be played in Carmel Field on Highway 176, Mundelein. Ticket prices set by the league are \$3. for adults and only \$1 for children 18 years of age and younger. There will be no reserve seats.

Tickets for the game may be purchased at the Rifles office in Libertyville, their Lake County ticket outlets and at the field.

Coach Jesse Vail of the Rifles said his team will be in good physical condition and he rates the game as a toss up - a game that should be exciting from start to finish. Vail said that Rockford has a good team and that it took them a few games later to start putting everything together.

Madison and West Alis will play each other for the Northern division championship. The winner of both games will meet in the Northern division city for the league championship.

The weight of the atmosphere on earth's surface is equivalent to a layer of water 34 feet deep!

GRASS LAKE SCHOOL ENDS PERFECT SEASON

The flag football team decisively defeated Big Hollow school 25-6 in a non-conference game Wednesday, October 18, 1972. The teams record included the conference championship with wins over Emmons 8-0, Spring Grove 26-2, Lotus 19-0, and Milburn 31-0. The spectacular passing of Scott Nohava, running and blocking of Rich Bailey, and pass catching of Scott Smith, Kurt Plechaty, Kevin Gilligan and Pat Mullins combined in an offense that became more effective as the season progressed.

The defense was consistently strong in allowing only 6 points

all season. Outstanding defensive lineman David Morrison, Tim Troyer, and Dan Lloyd often made it impossible for opponents to gain even first downs.

Other starting players included Gary DiSilvestro at center and Rich Brown and Rich Motley at setback. The other dedicated team members that filled in at many positions included Bill Babe, Neil Fossum, Bob Norton, Brian Tarkowski, Kevin Walsh, Steve Lloyd, Pat Sikorski, Dan Vaughn, Glenn Samson, Charles Schreiber, Tim Lama, Wally Anderson, Bob Pauletti, and Fred Malecki.

Helpful Hints

Ask any American school boy where milk comes from, and he'll answer: "From cows, of course." Ask the same question of his Laplander counterpart and his response will be "From reindeer, naturally."

Serving an exquisite dinner by candlelight soon? Then you'll want to clip this Gourmet Salad Dressing Recipe. In a bowl blend together 1 cup dairy sour cream, 2 tablespoons tarragon vinegar, 1 1/2 teaspoons dried tarragon leaves, 1 teaspoon sugar and 1/2 teaspoon salt. Cover and chill. Yield: approx. 1 cup.

Fresh Gel Dessert For Fall

This dessert whip is prepared in an electric blender container. Unflavored gelatine allows the fine natural flavors of tart apples and tangy cranberry juice to come through deliciously. Chill the mixture in a pretty mold, a plain bowl or individual dishes for a fresh-is-best treat for both the dieter and non-dieter.

Apple Cranberry Whip

- | | |
|---|------------------------------------|
| 2 envelopes unflavored gelatine | 4 tablespoons lemon juice, divided |
| 2 cups cranberry juice cocktail, divided | 1/4 teaspoon nutmeg |
| 4 cups sliced tart apples | 1/4 teaspoon red food coloring |
| 1/2 cup sugar or equivalent non-nutritive sweetener | 1/2 cup non-fat dry milk solids |
| | 1/2 cup ice water |

Sprinkle gelatine over 1/2 cup cranberry juice cocktail in a 5-cup blender container; allow to soften while assembling other ingredients. Heat remaining 1 1/2 cups cranberry juice to boiling and pour into blender. Cover, process at low speed until gelatine is dissolved. If gelatine granules cling to container, use a rubber spatula to push them into mixture. Turn to high speed and add apple slices, sugar, 3 tablespoons lemon juice, nutmeg and food coloring. Process until apples are pureed. Turn into large bowl and chill until mixture mounds when dropped from a spoon. Beat non-fat dry milk with ice water and remaining 1 tablespoon lemon juice until soft peaks form. Fold into cranberry mixture. Turn into a 5-cup mold. Chill until firm. Unmold to serve. YIELD: 8 servings.

"TORK"
TALKS

JUST A WHEEL.

by: "Tork" Torkleson

The holiday season is almost upon us and those of us that are in the business of selling to you the wonderful modern miracle, the automobile, so you can more easily enjoy this wonderful season, often times see this modern miracle turn to a modern tragedy. So here's a thought, that if remembered might prevent a tragic holiday for you.

I'm just a wheel - a steering wheel. Behind me you are the master of a miracle. You can make me take the kids to school. You can turn me down the sunny road toward town. With me you can guide your goods to the market....you can rush the sick to be healed.... you can go in minutes to places hours away. With me you can do magic.

Yet in the blink of an eye, in the tick of your watch, I can turn deadly killer. I can snuff out the life of a kid still full of live - MAYBE YOUR KID. I can twist a smile into tears. I can wreck and cripple and destroy. I can deal out death like the plague.

Things are getting a little close for the Lake Zurich Bears as a host of Sequoits gather for the stopper. Making first contact is No. 86 Dave Dziki, about to is No. 12 Charlie Chapman and No. 56, Gregg Dickson, and coming up to help is No. 43 Dave Piironen and No. 68, Steve Vasquez.

SEQUOITS DOWNED AT HOMECOMING

"RAIN SOAKED"

On a rain soaked field and a very gray day, the Antioch Sequoits went down to their 5th straight defeat at the hands of the Lake Zurich Bears. To make matters even worse it was homecoming. Although this game did provide the Antioch fans with a few events to cheer. For the first time this season, the Sequoits did score twice, both times during the 3rd quarter. The first coming on a 14 yard play with Number 43, Dave Piironen carrying the ball and the second score by No. 13, Fred Popp on a 1 yard plunge.

Lake Zurich scored in all four quarters and in at least two of the scoring drives, as Head Coach Nelson puts it "Silly mistakes killed us". The first score against Antioch was set up by a fumble on a Lake Zurich punt which put Lake Zurich on Antioch's 16 yard line. The next costly mistake came in the 3rd quarter when Antioch's secondary let a Lake Zurich Back get behind them and take a pass for a 70 yard T.D. play.

As we said there were some bright spots for the Sequoits on Saturday.

The offensive running of Dave Piironen and Antioch's "Iron Man" No. 33, Tom Pfahler, who carried 18 times for 89 yards. The defense was held up by the outstanding play of Guard, Glen Amundsen and Backs Dave Dzike and Charlie Chapman.

For the day, Antioch had 130 yards rushing and a minus 9 yards passing for a total of 121 yards. Next week the Sequoits will take on Waukonda for their last home game of the season.

How sweet it is as No. 43 of Antioch, Dave Piironen jumps (with a little help from teammate) for joy after he had just scored Antioch's first T.D. in Saturday's homecoming game. (Staff Photo)

ANTIOCH 4th IN CONFERENCE MEET

A very young Antioch Cross Country team traveled to the Fox Lake Country Club last Friday and ran their way to a fourth place in the Northwest Suburban Conference meet. This was a very good showing for this team being that the varsity consisted of 2 juniors, 4 sophomores and one freshman.

The meet was won by Lake Forest, second place was Warren and third was Waukonda.

Tim O'Neill won a medal by placing 6th and Mike Harland won a medal by placing 12th. Other winners for Antioch were George Pierce, Jim January, Steve Stahmer, Bob Taubitz and Bob Dubek.
